A HOME WITH MANY POSSIBILITIES

ENJOY LIFE IN MORE WAYS THAN ONE SIMPLY BECAUSE YOU DESERVE TO

That's the most wonderful aspect of Taman Daya Maju's dual-key concept homes. It is everything you want in an idyllic life. A house of your dreams where you can enjoy the cosy privacy of living life the way you want to, and having a segregated dwelling space, either for your loved ones or any other purpose you wish for.

At Taman Daya Maju,
the possibilities that you can achieve
with your home are endless. You could be
a small family who prefer to live in one unit
and rent out the other, or a multi-generation family
who wish to live close to one another.

UNIQUE LIFESTYLES WITH GREATER VERSATILITY

Conceptualised for modern families with versatile needs, Taman Daya Maju is a Freehold gated and guarded project situated within the prominent township of Bukit Mertajam. Featuring a dual-key concept, it offers two separate living spaces with separate entrances, all within a contemporary-designed 3-storey townhouse - setting a new benchmark of communal living with limitless potential.

SOME DESIRE PROXIMITY OTHERS WISH FOR PRIVACY

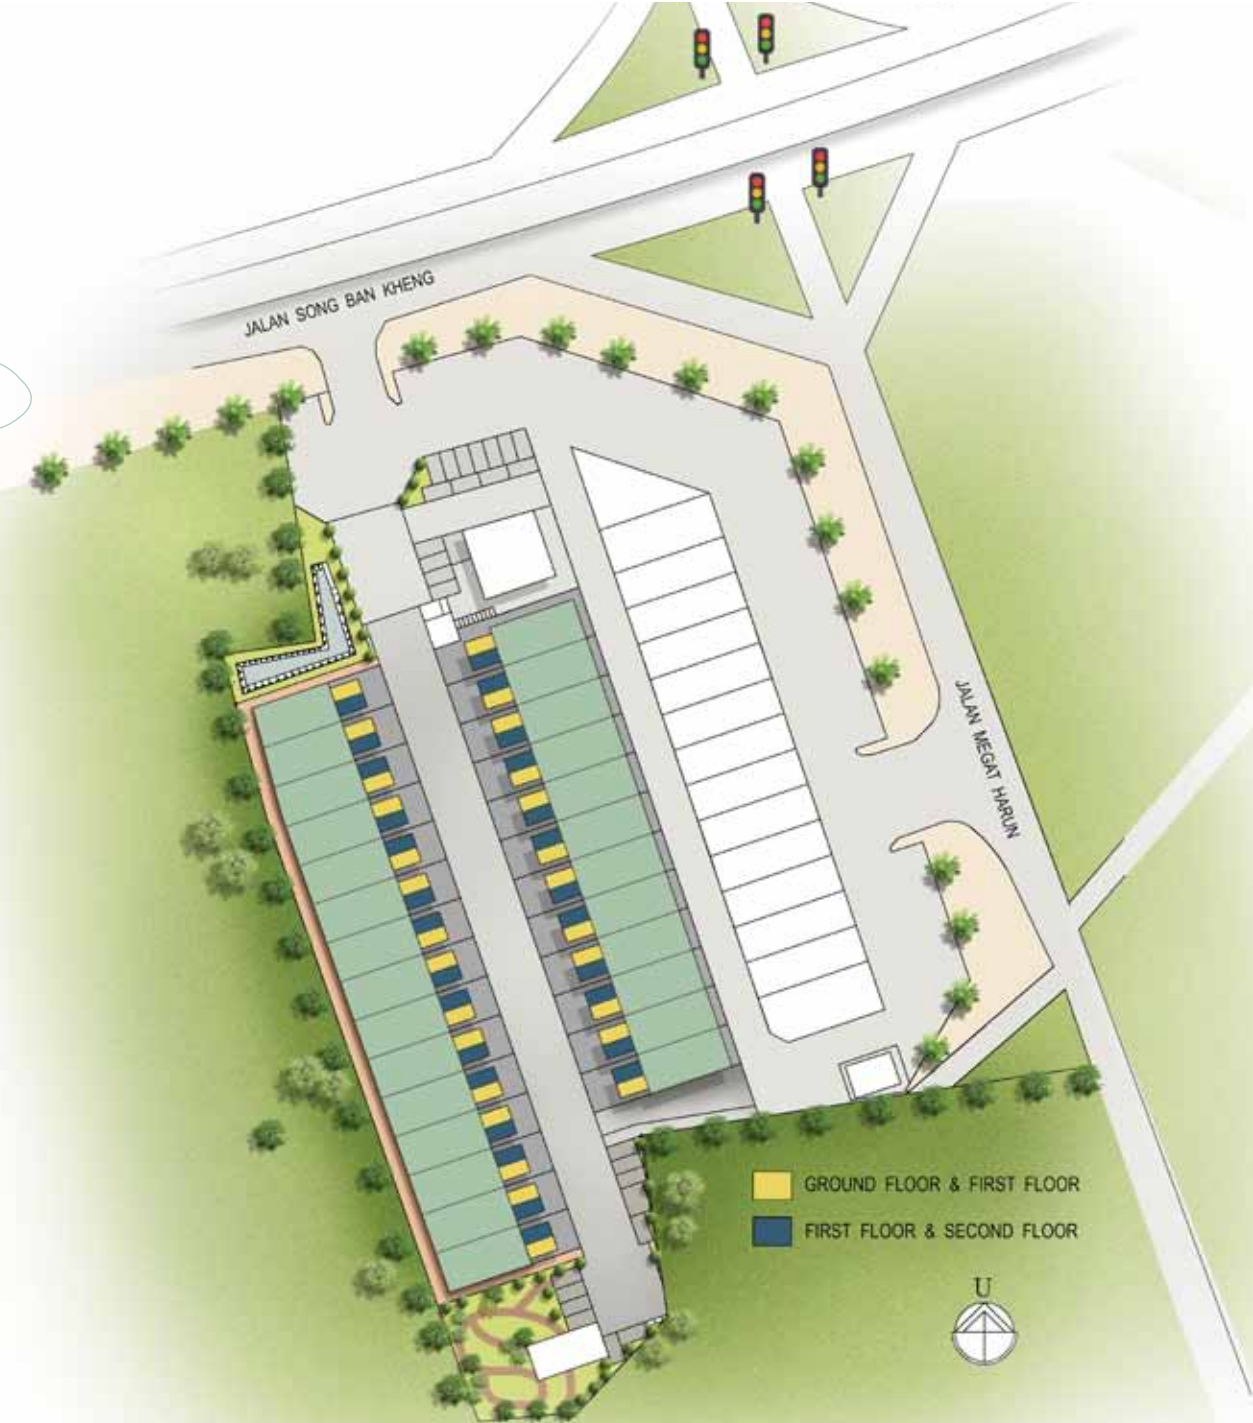

HERE AT TAMAN DAYA MAJU
YOU CAN HAVE IT ALL

Whatever your lifestyle dictates, Taman Daya Maju promises a whole new experience of staying together without compromising personal space and privacy.

With only 27 stylish homes or 54 families sharing a private community hall and jogging track, this low density neighbourhood offers serenity and privacy, but most of all, it offers an opportunity for harmony and togetherness.

Whether you prefer the easy convenience of the Ground unit (Type A) or the elevated views of the Upper unit (Type B), both are equally as spacious with individual private driveways and car porches that accommodates up to two cars each.
