TALISA

The Powerhouse Duo

SUNSURIA | **suezcap**

Bangsar Hill Park is the result of the depth of wisdom and breadth of experience between two established developers. Sunsuria Bhd. is a publicly listed property developer with diversified strengths and has branched out into construction, education, healthcare, digital development, and more, standing as a solid, well-rounded company while Suez Capital stands for rehabilitating addresses by improving the locale, community, and nation. This is how a new vision is created.

An Address of Pure Possibilities

Take in the vibrancy of Bangsar, where there is so much to experience. Conveniently nestled along Lorong Maarof, Talisa is never too far - it's where you can retreat to after the end of a long day and find respite within your very own oasis.

A Vibrant and Distinct Locale

Bangsar is one of Kuala Lumpur's most vibrant and desirable addresses, offering a lifestyle of convenience and excitement. With its trendy cafes and eclectic shops, Bangsar attracts a diverse community of residents, of which are locals and expats, who appreciate its unique blend of urban sophistication and laid-back charm. Close to the city centre and the rest of the Klang Valley, yet still very much a unique cosmopolitan neighbourhood of its own, there is nowhere else like Bangsar. With its perfect mix of culture, cuisine, and community, it's no wonder that so many people choose to call this vibrant place home.
