NEW ADDRESS OF DISTINCTION

In the heartbeat of Bandar Seri Putra

Where else can you find a 9-acre spread with a 3-acre courtyard? Where else can you connect with Nature that literally knocks at your doorstep? Where else can you live in a sanctuary of lush greenery and landscapes?

Welcome to Putra1, a new experience in low, medium and high-rise living quite unlike any other. This is where you enjoy condo-styled facilities, indulge in subliminal escapades, wander about in the courtyard, relax your feet at the reflexology pond or simply enjoy fine dining at the alfresco.

Here you are close to amenities within Bandar Seri Putra such as surau, schools, police station, bank, shops, petrol kiosk and health clinic and closeby are Cyberjaya, Putrajaya, KLIA and other destinations via the KL-Seremban Highway.

There's so much more here for you. Make a wise move, because this is where you will find an address that's your own exclusive sanctuary.
